5. Mix well to a soft, dropping consistency
6. Put into the tin, smooth the top and bake for 40 - 45 minutes until firm and a skewer comes out clean.

8. Leave in the tin until completely cold.

Class 98 THE 100gm BALL CHALLENGE

Any item crafted (eg knitted, crocheted) from 100 gms of wool/yarn (traditional standard sized ball). You can use accessories such as buttons or ribbon, and multiple colours are allowed - but only up to 100gms of wool in total. And yes, the judges will weigh it!

NEW EXHIBITORS WELCOME!

Anyone can take part in our shows, so why not come along and have a go? You might win a prize or a Trophy - plus the kudos of being awarded one of our coveted certificates.

1) Register To Enter in advance

Because we need to work out the space needed to display 100s of different items across all our classes, you can't just turn up with your entries on the day of the show.

That's why you need to register first. Tell us your name and the classes you want to enter, we give you a sticker with your entry number (one for each item) to display with your exhibit. This also anonymises your entry, guaranteeing all judging is completely fair.

You can register in person at the Hall the night before the show from 7:00 pm to 9:00 pm. Or you can do it online, then pick up your tickets as you arrive to display your exhibits.

2) Stage Your Exhibits on the day (or the night before)

Once you have your entry stickers, you can set out - or "stage" - your exhibits on the appropriate table. Each class is clearly marked with a number and description. Show Stewards will be on hand to help if you have any questions.

As long as you have registered first, you can stage on Friday night from 7.00pm to 9.00pm. Or on the Saturday morning of the show 9.00am to 11.00am.
